

INVITATION FOR SPONSORS

About us:

The Chopin Foundation was created in 1999 and was partner of Europalia Polska 2001. The Chopin Foundation supports talented young Polish and Belgian pianists, by organising each year concerts which help towards financing piano courses. Every year, loyal to it's objectives, The Foundation Chopin offers a prize "The Chopin Foundation Award" which offers to the talented young Polish pianists piano lessons under the direction of Master Jean-Claude Vanden Eynden at the Centre Musical Eduardo Del Puyeo. The Foundation organises for the young award winners a visit to the cities of Namur, Brussels and Brugge. With the support of the Polish Ambassador in Belgium a concert is given at the Polish Embassy in Belgium, by the talented young Polish pianists. In the same spirit, a young talented Belgian pianist follows piano lessons in Warsaw at the academy Fr. Chopina under the direction of the grand Polish Master pianist Jablonski. Thanks to the Ambassador in Warsaw, a concert is organised at the Belgian Embassy given by the talented young Belgian at the end of their course. Visits are organised by the Academy Fr. Chopin so that the young Belgian can discover Warsaw and the places where Chopin had been.

Since 2000, a number of young Polish virtuosos, among many, Malgorzata Galeziak, Wojciech Kopczak, Sylwia Michalik, Woitek Wrobel, as well as young Belgians like Nicolas Paternotte, Philippe Raskin, Matias Beccera, Alexander Vaguener and other chosen award winners.

A large panel of music lovers can meet to share their passion of music and to be active in the role of mentors.

Already, we have invited to Belgium, orchestras and musicians like the Amadeus, the Silesian String Quartet, Adam Korniczewski, Aga Winska, the Frederick Chopin Quintette, The Leopoldinum as well as many others.

The work accomplished by the Chopin Foundation represented by the founding President Chantal Lobert and the founding Vice-President Prins Sapieha was awarded in 2001 "l'Ordre du Merite Culturel" and in 2006 "Méríte Culturel Gloria Artis".
